AGAINST SANTANA

BIG MAN ON

"B.M.O.C"*-the very impression amplified itself into something special in the hearts of dreamy senior girls and imposed high hopes among the prospective senior guys.* This year, all five candidates were chosen from our **awesome 3A Spartan football team!!** *Coincidence, or what?!?!* Amity League, as always, if not elegantly, sponsored **oddball-**but-special lunchtime events-with some very **surprising** results!! *But where was Robert Gambala??* We'll never know; **I'LL NEVER KNOW!!-**Just kidding, Quicksilver!
This years line-up consisted of the most select men: ***Rick Alonzo, Copper Bales, George Brynd, Gilbert Canizales and the infamous Robert Gambala.***

It's A SMALL WORLD

"It's a small world". — Isn't it too true looking back at the **1985 Homecoming**! This year's theme signified the closeness felt by the student body, as much as the world!

This year, we had a fine Homecoming court: **Angel Fontilea** escorted by Matt McPherren; **Jessica Miranda** escorted by Scott Quinlan; **Ivette Portillo** escorted by Tony Sinquimani; **Laurie Schreck** escorted by Willie Field and **Melina Verzosa** escorted by George Brynd.

The night life was even better with the defeat of the Santana Sultans of 44-0!

This event shall stay long in the hearts of all *true* **Spartans**!!

"I hate deadlines!" This is a common phrase used and abused by all kinds of publications staffs, the **SCROLL** wasn't an exception!!!! We have worked and sacrificed a lot in order to produce a very new, fresh-looking, ma-vel-ous yearbook!! Though we looked very disorganized from the outside, we had it in control (most of the time!). Altogether, it was a successful year — and we have Mr. Estevan Vela, Brian Herz, Mike Armbrust and the efforts of the **SCROLL** staff to thank! As a last remark-for the seniors-we hope you enjoy your last-ever high school yearbook and cherish the memories that it will bring you in future years to come.

"Deadline" becomes a daily word for the Spartan Spectrum Newspaper Staff. As news stories are assigned, written, and turned in on the last possible second, each staff member learns to use the best of their writing skills to inform the student body of C.V.H.S. and the community, with the most current news-ten issues a year. This year our goal was to bring quality news to C.V.H.S.

BAND

LETTERETTES

Marching with a shield is not as easy as it looks but this year's award winning Letterettes have proved just how much Spartans strive for perfection.

They aren't only important because they identify the band but also because they represent the school. As we have seen, they did an excellent job of carrying Chula Vista's name with Spartan pride.

Letterettes 1985-86 - Teresa Tinkle, Kim Barragan, Dawn Dewoody, Lisa Dickinson, Alma Herrera, Lisa Luna, Sonita Lundy, Ana Pollorena, Christina Rosa, Rhonda Shaw, Michelle Singo, Tami Stork, Susie Ochoa.

TALL FLAGS

Believe it or not, twirling a flag, marching in line and smiling all at the same time takes many hours of practice. Tall Flags are an important part of the complete look of a band performance. They were the eye-catchers of our football half-time shows and the street parades they participated in. By showing their routines, one could see they took pride in their work.

Tall Flags 1985-86 - Tiffany Gayton, Kim Crutchfield, Denise Diffley, Kelly June, Lilian Loyd, Samantha Lucas.

SPARTANETTES

Being on the drill team is not only fun but, it also takes a lot of hard work. This year the Spartanettes have dedicated many hours of practice to continue being at the top. And while competition is very tough, they are willing to "bend their backs" to create those spectacular performances.

Through the age they sprang from faded long ago, the embodiment of courtly love, nobility, and spring notions of the age of chivalry. Ardent in romance and steadfast in alligiance, the members of the French Club are striving to catch the enchanting spirit that is in France.

The French Club of Chula Vista High is Spartan pride in action and has been more than successful in cultivating a French ambiance within the walls of Sparta.

It has quickly established itself as the bastion of "haute culture" and higher aesthetic awareness both on campus and in the community at large. A special thanks goes to our advisor, Mr. Rodriguez, au revoir.

. . . From its inception 5 years ago, Chula Vista M.E.Ch.A. (Movimiento Estudiantil Chicano de Aztlan) has worked hard at promoting higher education, cultural awareness and bringing Chicano, Latino and Mexicano students together on campus. At the present time, almost 60% of the students at Chula Vista High are from this ethnic background, and only a small percentage will go on to become college graduates, so our goal is to encourage them to do so by participating in activities, such as the S.D.S.U. M.E.Ch.A. High School Conference and Chicano Park Day. In addition, we make things happen by sponsoring The Cinco de Mayo Celebration which promotes self-awareness of our Raza and educates others to our customs and heritage. It is constitutionaly provided for the purpose to take away the common fear most people have when dealing with today's newest technology. The club has involved itself in many activities and has proved to be a definite benefit to both school and community.

GIRLS' AND BOYS' STATE

Brent Allan Koba selected as this year's representative to California Boys' State, an extensive one-week seminar sponsored by the America Legion. While there, Brent and over nine hundred other boys from around the state resided in mock cities and counties, and were required to abide by the laws established by each city. Politics plays a major role at Boys' State, and Brent participated actively. The highlight of his stay was when Governor George Deukmejian arrived for the gubernatorial election, as Brent was sworn in as State Treasurer. He will never forget the people he met, and the lessons he learned while representing our school at California Boys' State 1985.

It provides students with an outlet for creative energy to make use of it. It is a new club on campus which, as of right now, contains approximately 25 members. PEP CLUB

"To Chula Vista's white and blue, we'll ever be steadfast and true . . ." Ah, to sing our alma mater brings a feeling of pride, unity, and a certain oneness that could never be matched by anyone. It is a peaceful contentment; the calm after a storm of cheers, yells and utter excitement.

The Pep Club has exhibited this enthusiasm throughout the school year, never letting up on the rowdiness and electricity that can be seen, heard, and felt at Spartan games. They have been involved in various activities on and off campus, always shining a blue, white, and gray Spartan hue on things.

The Pep Club had added true spirit to our already cheerful campus and has encouraged team players by giving them goodies and being excellent secret pals. Members have decorated the school beautifully throughout the year for the sake of all spartans.

Yes, the Pep Club is a club of fun, excitement, and sheer joy! And, naturally, it shows the three P's of Spartan Excellence: Perserverance, Pride, and PEPPINESS! What a great year!

"Our Senior Year"

REMEMBER SO LONG AGO,
WHEN WE WERE STARTING SCHOOL?
THOSE SIXTH GRADERS WERE ALL SO BIG.
THEY THOUGHT THEY WERE SO COOL.
THEN REMEMBER SEVENTH GRADE?
HOW WE THOUGHT WE'D GONE SO FAR.
ALL THOSE TEACHERS AND SILLY RULES;
WHO THOUGHT WE'D DO MUCH MORE?
CAN YOU RECALL OUR NINTH GRADE YEAR?
WE WERE ALL SO VERY SCARED.
ALL THE PEOPLE, BOOKS AND STUFF;
IT SEEMED LIKE NO ONE CARED.
NOW WE'VE FINALLY MADE IT.
OUR SENIOR YEAR IS HERE.
ALL THE TROUBLE WE WENT THROUGH
TO DISPELL OUR CHILDHOOD FEARS.
JUNE IS ON ITS WAY NOW.
OUR SENIOR YEAR WILL SOON BE DONE.
WE'LL SAY "FAREWELL" TO ALL OUR FRIENDS,
AND "SO-LONG" TO SENIOR FUN.
WE'LL HAVE OUR GRADUATION
AND OUR RINGS AND YEARBOOKS, TOO,
TO HELP EXPLAIN THE STORY
OF ALL THE THINGS WE'LL DO.
MOMENTOS OF ALL THE THINGS WE DID.
OF THE LAUGHTER AND THE TEARS.
WE'LL HAVE ALL THIS TO HELP US RECALL
OUR SENIOR YEAR.

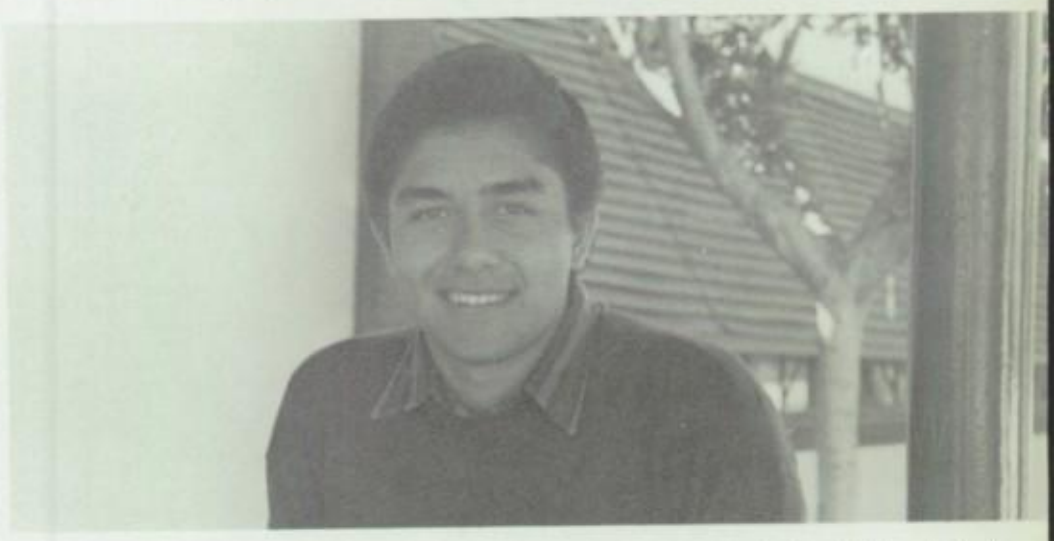
SPARTAN EXCELLENCE

A great tradition at Chula Vista High School has become to be Spartan Excellence in the four A's: Academics, Attitude, Athletics, and Artistry. We are recognizing the best in each area. Dr. Shaeffer was in charge of the voting in which the faculty voted, not the students. We congratulate you special seniors for being number one in your category for Spartan Excellence.

ACADEMIC

KRISTIN JORDAHL: "I never plan to take math again!" Kristin will attend U.C.L.A. (Honors Program) and major in political science, communications, and education. Her parents, English teachers, and special opportunities such as Girls State and Valley Forge, is what has really influenced her. She believes that her senior year has been a challenge for her and prepared her for college.

ATTITUDE



JOHN GOMEZ: "This was the year I matured more and it really prepared me for the future." John will attend S.D.S.U. and major in Tele-communications and T.V. broadcasting. We feel his senior year was the best because of his friends, the responsibilities he held, and the support he received from his teachers.

ATHLETICS

JORGE BRYND & CHRISTY ARAKI (A TIE): "I've enjoyed the four years of playing on the winning teams at C.V.H.S." Jorge plans on attending S.D.S.U. and majoring in business. His greatest moment was against Kerny when he made the winning free-throw. "Sports has opened up a lot of opportunities for me." Christy is undecided on where she will attend college but she will major in psychology. She believes that the support she received from her parents and the fantastic coaching has made her the athlete she is today.

ARTISTRY

JENNIFER JEFFRIES: "The S.C.P.A. at C.V.H.S. is the best in San Diego." Jennifer will attend U.S.C. and major in voice with a minor in theatre. Her goal is to be a professional opera singer. She feels that the faculty is outstanding and she wouldn't be anyplace without them. The highlight of her senior year was being a teenage reporter for a talk show on Channel 8.

Dear Stacy,
Looks like the end is near... for the class of 86' anyways. This school hasn't seen nothing yet. Wait till 87'! (Sounds frightening, huh?) It's a shame we got other only during the second semester, but it was fun. We had our moments of laughter & jokes now & then and that's more than memories to last me until I will be seeing you ever go to there. Hope each other again. If you'll find Biology a party, same in Chemistry. it was fun Have a killer Summer...

Love,

FOOTBALL

VARSITY

"Our football program has made some tremendous progress these last few years. I feel this last year has been one of the most important because we were not expected to do very well let alone win as many games as we did. One of the reasons we won was due to the type of athlete in our program. The football players that we had this year were for the most part "Team Players". We did not have the great individual athletes that we had the last few years and these players understand that in order for them to win they have to play together. For us to continue to win they must continue to believe in themselves. They have to understand that as individuals they will not do very well but as a group of players-together-they can go as far as they want to!"

-Only J.V. team to go undefeated in the History of the school

-Only J.V. team to have 8 shut-outs. Pride brought us together.

Team work kept us together. Champions are what we are!

The 1985 Spartans girls cross country team consisted of sixteen athletes. For the most part, this was a very young team composed mostly of nineth and tenth graders. However, despite their youth, they are a very talented group.

Competing in a very tough league, the female runners finished with an outstanding winning record. One the highlights of the season was placing highly at two prestigious events, the Mt. Carmel and Mt. S.A.C. invitationals. This was the first time ever that a Spartans girls cross country team placed highly at these events.

Among the individual leaders were Sophomore Pilar Reza who won All-League and All-Conference honors. She was joined in the All-League honors spot by Junior Jill Welch.

The 1985 boys cross country team came short of an outstanding season. Although we lacked the great runners of the past we had a good foundation which was possible due to Senior Luis Lopez and his great running. Even though the cross country team feels that it did not perform to its greatest potential it did recognize many promising new talent for a future championship banner. Every one gave its greatest effort to make this rebuilding year worthwhile.

The 1985-86 Spartan basketball team has demonstrated the fact that they were balanced. They had balance in every department of the game. Joe Klanchar (15.6) Jeff Knight (13.1) and Tony Hyner (10.6) led the scoring attack. Grorge Brynd, team captian, led in assists with 6 per game; followed by Atam Gire with 3.2 assists. Tony Hyner led the team in rebounding with an 8.1 average. All in all, contributing to the success of the squad were made by the never say die team play the C.V.H.S. fans became accustom to seeing.

The '86 Spartan Baseball team is back and looking stronger than ever. Headed by Coach Barcus and returning letterman and team captain Chino Canizales the Spartan baseball team is almost assured another championship season. Among the twelve returning seniors there are one junior and one freshman which gives the perfect chemistry of veterans and rookies. Coach Barcus is confident that this seasons team will achieve the much wanted goal of a C.I.F. playoff birth. As metro champs for the last two years the varsity baseball team has a great quest to achieve. In the words of coach Barcus "We are pushing for three years in a row.", and with the current players and record, it looks very much like the goal of a C.I.F. playoff birth will soon be met.

The 1986 Junior Varsity Baseball team started off very slow. The J.V.'s played a very tough schedule. Before the season is finished, the "junior" Spartans will be where they belong, in 1st place.

The "86" Spartans are lead by sophomores David Guerrero, Joe Heinz, Eric Slinkard and Shawn Miranda.

The varsity softball team of 1986 is a team full of potential. With only four returning players, The Spartans have a new book. That look is young. Three freshman, five sophomores, three juniors, and three seniors make up this years team. The team has a lot of depth and talent and with some playing time is getting the players they need from the junior varsity program. With the strong J.V. support, the varsity Spartan nine will be very tough for many years to come.

A new season has started for the '86 junior varsity softball team, and it is time for all the new talent to show their stuff. With returning starters and captains Kim Giles and Joy Jarquie the J.V. Softball Team is looking better than it has in recent years. With star Pitcher Tammy Carrol taking care of the batters, there is nothing to worry about. In the words of coach Doss "This is a bunch of very talented girls . . ." With talent with talent like this a winning season is almost assured. This year the girls swim team had a very good chance to take the metro championship, and place well in the C.I.F. standings, with such swimming stars as Tabitha Bonney, Tanya Martin and Pillar Reza all of which are returning '85 C.I.F. champions. The boys swim team also proposes a strong swim season with Glen Andrade leading the pack. This year C.V.H.S. divers look the best they have in five years, with prospective C.I.F. qualifiers, such as Ursula Wallach, and freshman Jamie Dawes and returning metro champion Steve Stoneburner. I feel that the '86 swimming and diving teams will keep up the exspectations of C.V.H.S. Excellence in athletics.
